

Thermal Printer Cleaning Cards, Swabs, Pens and Wipes

**Reliable Partner for Manufacturing
High Quality Technical Cleaning Kits**

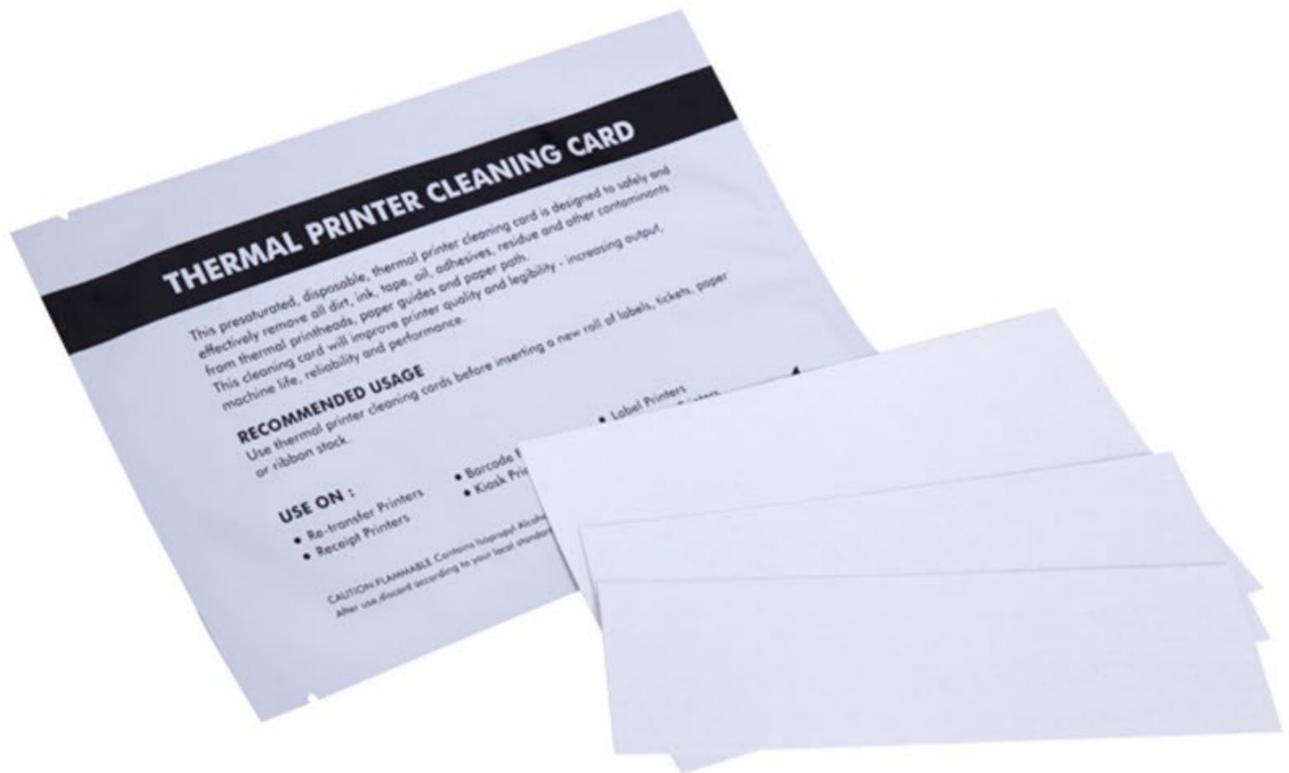

Used on ALLtypesThermal Printers :

- Card Printers
- Barcode Printers
- Label Printers
- Receipt Printers
- Kiosk Printers
- CashlessTicket /SlotTicket Printers

Thermal Printer Cleaning Cards are used for routine preventive maintenance of all types of Card , Barcode, Label, Receipt, Kiosk and Cashless Ticket/Slot Ticket Thermal Printers.

This Cleaning Card is either pre-saturated with **99.9% Electronic-grade isopropanol solution or Alcohol-free Cleaner**, and we can produce it according to the specific requirements of customers.

Cleaning cards effectively remove residual ink and gum, as well as residual dirt and contaminants from the printhead and platen.

Standard Sizes Available : 2.0" x 6.0" , 2.25" x 6.0" , 2.5" x 6.0" , 3.0" x 6.0" , 4" x 6" .

Other Sizes can be customized.

Standard Packaging : 25 Cards per box.

We provide Private Label Services for Customer' s OEM Brand.

Cleaning Swabs or Pens can be used to remove visible deposits from the Print Head when print abnormality appears on printed cards. It is important not to use a sharp object to scrape deposits from the Print Head, as it may permanently damage the Print Head.

- 1) IPA Pre-saturated Clean Swab**
Length of Swab : approximately 5.0"
Packaging : 50 Swabs/Box Part
Number : IPAPFS-707

- 2) IPA Cleaning Pen**
