

Thermal Printer

Cleaning Card 4" x6"

TECHNICAL DATA SHEET

Thermal Printer Cleaning Card Pre-Saturated With IPA

P/N:
YST-0406TPCC

Technical Specification

- Card material: Spunlace wipes/PVC;
- Card size: 4 " x 6 ";
- Solution content: 99.9% IPA
- Standard Sizes: 2.0' ' x 6.0" , 2.25" x 6.0" , 2.5" x 6.0" , 3.0" x 6.0" , 4" x 6" .
- Other sizes can be customized.

Features & Benefits

- Economical Costs to maintain your Thermal Printer in Routine Maintenance to prevent print error.
- Less machine failures due to effective dirt removal.
- Easy handling;
- Alcohol Free Cleaner will safely clean , remove dust, dirty stain, and leave no Residue on the surface

Thermal Printer Cleaning Card 4"x6" is the most commonly used size for thermal printer printheads. It is suitable for most thermal printers including barcode printers, label printers, receipt printers. The cards are soaked in an IPA solution that effectively removes residual oxide from the print head. It has a flat surface and thin thickness, reducing material costs while also meeting cleaning requirements because the print head and platen rollers are also flat. **Cleaning card** is made of polyester wood pulp spunlace cloth, which has good absorption and long-lasting cleaning effect. It can killed most Bacteria.

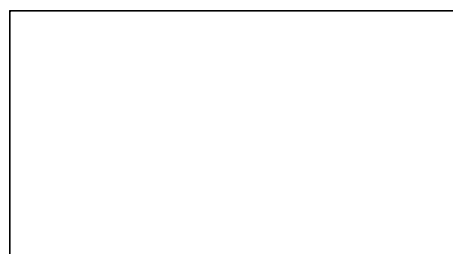

Applications

Thermal Printhead Cleaning Cards can be used with all thermal printers with a printhead, including barcode printers, label printers, receipt printers, Kiosk printers.
